

Pornography

By Thom Robb - Knights Party National Director

In speaking about pornography I have to speak about the core element of pornography and that is hatred for women. Betty Friedan, Gloria Steinem and Bella Abzug were three Marxist Jews who helped to create the Women's Liberation Movement.

The problem with these three Jews is that they hate themselves and hate the fact that they were born female. I suppose it was only natural and could be expected. It is a fairly well established fact which even Jewish writers talk about, that it is a common prayer among orthodox Jewish men is to thank God each morning that they were not born a woman.

Jewish teachers, rabbis and talmudic scholars have always degraded women through their exploitation of women in the work force, movie industry and pornography.

Now I am aware that for me to say that pornography is almost exclusively a Jewish business will once open up the claim that I am just being anti-Semitic. But just as I can truthfully claim Communism is Jewish I can also say Pornography is Jewish. Radical Judaism is at the very core anti-woman. It was this hatred of women in Jewish circles which created the anti-women self hatred of Jews like Friedan, Steinem and Abzug and of course the ideology of Communism which boasts that under Communism women will no longer be treated like women.

So like I said earlier, while making the claim for equality they are in effect saying that women ideals, attitudes, demur, customs, roles and conduct - in other words those things that make girls want to do girl things in their development to becoming a woman are actually inferior. Girls are told they must escape from this curse of being a woman and must act and be treated like a man.

Today we see that pornography in its various forms is now fully and legally accepted in our society. Certainly not always in its rawest forms. But who can deny that it is displayed on television, in movies and even among high school and college cheer leaders.

But is it Jewish?

I did something that everyone of you can easily do. I googled the word Jews and 41,200,000 website were instantly displayed. Then within the word Jews I googled pornography and 357,000 sites were displayed.

The second website listed in of the Jewish Quarterly Magazine. Here is what it says, Nathan Abrams is a Lecturer in Modern American History at the University of Aberdeen. And has also lectured at University of Wales and has written several books. Here is what he said,

"A story little told is that of Jews in Hollywood's seedier cousin, the adult film industry. . . there's no getting away from the fact that secular Jews have played (and still continue to play) a disproportionate role throughout the adult film industry in America. Jewish involvement in pornography has a long history

in the United States, as Jews have helped to transform a fringe subculture into what has become a primary constituent of Americana. These are the 'true blue Jews'."

Here is another: "A large amount of the material on sexual liberation was written by Jews. Those at the forefront of the movement which forced America to adopt a more liberal view of sex were Jewish. Jews were also at the vanguard of the sexual revolution of the 1960s."

Here is ADL National Director Abraham H. Foxman said, 'Those Jews who enter the pornography industry have done so as individuals pursuing the American dream.'

One Jew says pornography is part of American and another Jew says it nothing more than a pursuit of the American dream.

Well that certainly may be a part of it. But this is what Nathan Abrams said,

"Jewish involvement in the X-rated industry can be seen as a proverbial two fingers to the entire WASP establishment in America. Some porn stars viewed themselves as frontline fighters in the spiritual battle between Christian America"

In 1972, Billy Graham met with Richard Nixon in the Oval Office of the White House. A few years ago, The Associated Press release some transcripts of this conversation in which Nixon was talking about the controlled media, Nixon said, "We can't talk about it publicly." and then said the media was "totally dominated by the Jews. . . 95% are Jewish." Then Billy Graham quickly added, "That's right, and they are the ones putting out the pornography stuff."

The same web location also quotes, Al Goldstein, the Jewish pornographer. Here is what he said "The only reason that Jews are in pornography is that we think that Christ sucks. . . We don't believe in authority. Pornography thus becomes a way of defiling Christian culture."

Let me read a couple of other quotes.

In Eben Haezara of the Talmud it says, "Who is a whore? Every non-Jewess is a whore."

In Abodah Sara, "A non-Jewish girl who is three years and one day old may be misused."

In Nedarine "A Jew may do to women whatever he can do. He may treat her as a treats a piece of meat."

When guys look at porn they are betraying their race. They are betraying their white sisters. They are setting themselves up as a Jewish pawn in the war against the white race. Does this sound extreme? It is extreme. Men are called to love, honor, and protect women. That is final! It isn't funny and it isn't a Joke and its not something all guys do. Its not something tough guys do. Its something weak minded guys do who can't control their own minds. Women are to be our partners in life. They are to be respected and valued for their opinions. Yes, God made women desirable and it is not wrong to think a woman is beautiful. It is wrong to degrade women and the role God gave them to be our partners in the rulership of God's kingdom by viewing them only as something to gratify your own selfish desires.

Many guys may say they don't watch or look at porn. But many will still watch movies that aren't considered porn - but are dirty R rated movies. These movies glamorous premarital sex, nudity, drugs, and interracial dating.

If you want to truly be a man of honor and worth. Someone that one day will be known as an Aryan Warrior then you must consider your first duty. And that duty is the protection, honoring, and admiration of women. You can not think to yourself that perhaps you know no women worth honoring. Your duty is to honor women never the less and then God willing He will find you to be suitable to send a God fearing white woman into your life to cherish forever as you build your own family and kingdom home. That is what real men do.
